# Attractive conditions for occupational benefits (BVG)

Take advantage of the association's  
employee benefits solution  
regardless of your company's size.

## The Swiss Biotech Association employee benefits solution – to your advantage

The cost contribution is determined on the basis of the number of insured people within the Swiss Biotech Association member pool. As of the beginning of 2025, more than 3100 employees in the biotech industry benefit from this offer.

With the Swiss Biotech Association employee benefits solution, you join forces with other association members and benefit from significantly more attractive conditions for occupational benefits with Swiss Life.

We are happy to meet you for a personal consultation.
